better thinking, better solutions

Shanghai Saint GE Technologies Co.,Ltd.

Company Profile

Saint GE is leading the industry technology and the product quality on the research & development of the anti-corrosion chemical sprayers. We are headquartered in Shanghai, and have a manufacturer in Ningbo, Zhejiang province, China. Our product line includes Chemical Sprayers, Foam Makers, Pressure Washers and Garden Sprayers.

Since the beginning, we have emphasized innovation in product design. Every year we introduce new and unique products to the market. Quality is our value, Credit is the basis.

We serve our customers with sincerity. We build our reputation with reliability.

We are looking for potential partners such as sprayer distributors, garden centers, pest control, roof cleaning, landscaping and chemical products suppliers and companies to cooperate to win-win the future.

Saintge

> PPS Pro-Portable Power Sprayer with case

The most versatile and easy to use Chemical Spraying System!

Features

- Unique Viton seals make it compatible with any type of chemicals,
- No electricity or heavy car batteries,
- Use the supply PVC hose or a soda bottle for chemical feed,
- Adjustable flow rate & pressure up to 120 PSI,
- Super quick suction to get your work started without waiting
- Shoots a stream up to 40 feet high, can prime up to 15 feet high,
- 2.6Ah Lithium-Ion battery pack can continuously run over 1.5~2 + hours,
- Super quick charger can recharge a battery in 90 minutes,
- Telescopic lance provides extra length to spray hard-to-reach places
- Universal ball joint keeps the bottle always on the vertical position – No leakage,
- Cordless, lightweight & portable for your job quick and easy,
- Industry grade Viton seals for long life

SPecification

Model No.	SG150M001/002
Pump	15V PPS Pro Gun
Seals Material	Unique industrial grade Viton
Chemical Compatibility	All type of solution
Rated Max Working Pressure	120 PSI (8.3 bar)
Self Priming up to	> 4.5M (15 feet)
Shoots a Stream up to	> 12.0M (40 feet)
Battery Voltage/Capacity	14.4 V / 2.6 AH
Battery Continuous Working Time	1.5 ~ 2.0+ Hours
Charger Time	90 Minutes
Extension Hose Length	6.0M (20 feet)
Telescopic Lance Length	1.0meter (40 in.)
Short Wand length	20cm (8.0 in.)
Quantity per Carton	5 units
Standard	ETL, CE
G.W./N.W.	22 / 20 kg
Carton Size	53*32*52 cm

Chemical Compatibility

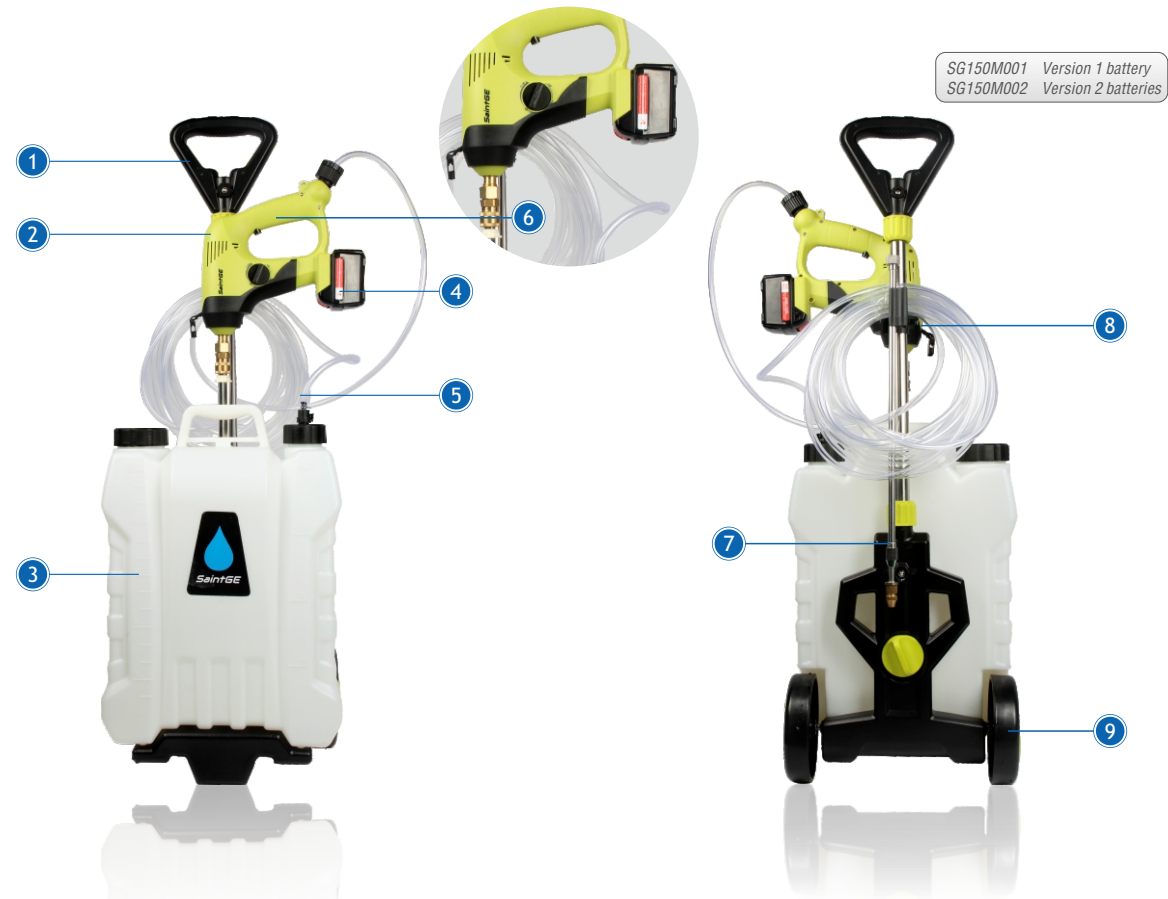

PPS Pro gun contains a unique seals that make it stronger and compatible with almost all of type of chemical solution, even products containing solvents, peroxide, hydrochloric acid and d-limonene.

Unlimited Uses

Commercial and residential uses for the PPS Pro chemical spraying system

➤ PPS Pro with Cart & Tank
The best tool to save your time and energy

Features

- PPS Pro chemical spray gun included,
- 15L tank (4.0 gal) ideal for large job,
- Soft wheel for easy maneuvering,
- Shoulder strap for backpacking,
- Quick hose connecting,
- Easy operating for assembly and disassembly,
- Gun holder for the hose and lance management.

► **Compression Foam Sprayer, NEW!**

Features

- Foam maker system and/or automatic spray on a lithium-ion battery,
- Generates dry and compact foam for about 30 minutes,
- Low/average/high foam density available,
- Supplied with wheels for better mobility,
- Two cavities to accommodate working and backup batteries.
- Euipped with a flow variator.

SG180M001 Version 1 battery
SG180M002 Version 2 batteries

Specificaiton

Model	SG180M001/002
Nominal voltage	12 VDC
Tank capacity	9L
Spray hose	3M
Working pressure	start to 2 bar –Stop to 2.5bars
Flow Rate	-Spray :0.96L/min
Working time	-Foam :0.8L/min
Battery	-Fog : 0.6L/min
Telescopic Lance	35minutes continuously *2
Charging time (full charge)	Lithium-ion -12V -2900mAh
Dimension (L*W*H)	1m (2*50cm)
Weight	1h30
Dimension (L*W*H)	35.5*35.5*60.0cm
Weight	4. 5kg
