COMPANY INTRODUCTION

Suifa Foods Co., Ltd. was established in 1998, headquartered in Guangdong, China, with a factory covering an area of about 30,000 square meters. We are a professional and reliable candy manufacturer with more than 10 years of experience in import and export trade and more than 20 years of experience in production. Our core product lines are chewing gum, bubble gum and chews candy.

We provide private label and contract manufacturing services. Over the years, Suifa has grown steadily, exporting products to more than 20 countries and regions around the world. As a senior food producer in China, we focus on the R&D and processing of all kinds of confectionery. We insist on strict standards and constantly innovate and optimize our products to provide our customers with high-quality products.

● Quality Products

One of Suifafood's greatest strengths is their commitment to providing quality products. They understand that their customers count on them to provide fresh, high quality and safe food, and they take this responsibility seriously. With a focus on quality control and food safety, you can be confident that the products you receive from Suifafood are top-notch.

● Competitive Prices

Cost is always a factor when choosing a food company, and we understand that. Our products are available in a variety of quality options. Our goal is to make sure you get the best products for your budget, catering to your sales destination

● Passed Quality Certification

Our company is proud to be certified under a variety of food safety standards, including ISO, HACCP, FDA and Halal - ensuring that our products meet high standards of quality. We are committed to providing safe and reliable products to our customers.

COMPANY INTRODUCTION

● Professional Manufacturing

With many years of experience in the production of gum, we are proud to be recognized as a leader in the gum manufacturing industry in China. Each year, our mission is to stay ahead of industry trends and incorporate the latest technology from Europe into all aspects of production - thus giving us an unparalleled competitive advantage throughout the market.

● Rich OEM&ODM Experience

With decades of expertise in OEM and ODM services, we are pleased to offer our resources for partnerships with brand owners and wholesalers. Our products have attained worldwide popularity, seeing successful export into multiple regions of the world.

● Excellent Customer Service

We take customer satisfaction very seriously and have a customer-centric service program to ensure that our customers have the best experience every time they inquire as well as purchase a product. Our sales staff will follow you through the entire order process. From the development of the samples to the loading of the goods, we will follow up on every step of the order changes for you in detail through videos and pictures.
