

About Us

Founded in 2006, Zhuhai Aicon Image Co., Ltd is focusing on compatible printing consumables. We built up R&D standard, QC system as well as global sales support standard. We were certified by ISO9001, ISO14001, STMC, RoHS and REACH. By the effort of Aiconer and our partner, we became the professional solution provider in the field of compatible printing consumables.

Our product was first launched in Brazil market under the brand name of "AICON". And we upgrade the brand to "i-AICON" in the year 2010, integrating company values. Till now, we still insist on i-AICON's global sales strategy. So far, i-AICON has entered over 74 countries and regions and had entered the mainstream channels in Europe, Middle East, Asia and Africa. We will continue exploring and providing quality products and amazing service in printing.
