

DiscoScan 2.0 Lens Bracket | Clubmax

PRODUCT SPECIFICATION SHEET

DESCRIPTION

This mounting bracket allows you to fit the Pangolin DiscoScan 2.0 lens to all KVANT **Clubmax**, **Clubmax FB4** and **Maxim G3600** laser systems.

It was specially developed to make it possible to properly attach the lens to the projector and adjust it for optimal performance.

Please note the DiscoScan 2.0 lens is not included.
