Seben Oak

WOOD SYSTEM

木纹系列

橡木 — 灵感来自于橡木，还原了木材的天然色泽和触感，橡木原本的精美纹理清晰可见，直纹均匀细腻。再运用仿古刀砍纹工艺，增添了别样的视觉效果，整体更具层次感，虽木色均匀却富有变化，更具沧桑美感。

The inspiration comes from oak, which reverts the natural color and touch of wood. The original exquisite texture of oak is clearly visible, and the straight grain is even and delicate. Then the use of antique knife cutting process, added a different visual effect, the overall more hierarchical sense, although the wood color is uniform but full of changes, more vicissitudes of beauty.

木纹系列

木纹 — 灵感来自于乌金木，完整地保存了乌金木的“生命线”让它的纹理自然，视觉动感层次分明，金色和黑色曲线跃然眼前，独有的淡桃褐色与淡黄褐色条纹相间木纹，将这种独特的金属质感发挥到极致。天然原始的纹理，交织着感性和理性的互相融合，创造独特的美学价值。

Wood grain -- Inspired by ebony wood, it completely preserves the "lifeline" of ebony wood to make its texture natural and visual sense distinct. Gold and black curves spring into sight, and the unique pale peach brown and light yellow brown striped wood grain brings this unique metallic texture to the extreme. The natural and original texture interweaves with the mutual integration of sensibility and rationality to create unique aesthetic value.

A lush green forest scene with a stream and a waterfall. The foreground is dominated by dense, vibrant green foliage, including various types of trees and ferns. In the middle ground, a clear stream flows through the forest, leading to a small waterfall cascading over rocks. The background shows a misty, hazy landscape with more trees and a bright sky. The overall atmosphere is serene and natural.
