## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at [pld.iapmo.org](http://pld.iapmo.org)

Effective Date: August 2019

Void After: August 2024

Product: Enamelled Cast Iron and Enamelled Steel Plumbing Fixtures

File No. 8653

Issued To: ANPING SUNSHINE SANITARY WARE CO., LTD.  
The Developing Zone Of  
Zhang'ao  
Anping, HEBEI 053600  
China

Identification: Each fixture shall be marked with the manufacturer's name or registered trademark. In case of private labeling, the name of the customer for whom the fixture was manufactured. The markings shall be permanent, legible, and visible after installation. Fixtures that require proprietary (non-standard) components such as supply fittings, waste fittings, or water seats, shall indicate in accompanying literature or in the packaging that such components are provided by the manufacturer. Fixtures that do not comply with one or more of the dimensional requirements of the standard shall be marked with an "N" to indicate the non-standard nature of the fixture. Fixtures that require proprietary components shall be accompanied by literature that identifies the proper replacement parts. Bathtub and shower bases that use field installed flanges shall have a label stating "Do not install this fixture against a wall unless the appropriate flange is first installed." (The equivalent French wording is "Nes pas fixer cet
