SWISS KNITTING TECHNOLOGY
STEIGER

系统功能强大
多功能机
5D防交叉沉降片
三系统山板
双向摇床
洞口可调
电动毛刷
针板加长

ABOUT STEIGER

事坦格简介

瑞士事坦格,世界三大电脑横机品牌之一,
70余年针织机械技术沉淀,
以其先进理念和高超技术,
同中国电脑横
机操作习惯完美结合,
推出全新STG860多功能一体机,
只为更高效、更省人工、更稳定、更智能。

Steiger, one of the world's top three computerized
flat knitting machine brands,
has accumulated more than 70 years of computerized
flat knitting machine technology.

It has perfectly combined with the Chinese computerized flat knitting machine
operating habits to develop the new STG860 multi-functional
all-in-one computerized flat knitting machine,
only for more efficient, less labor cost, more stable and intelligent.

瑞士Steiger成立于1949年,以其一贯秉承的创新主义和先驱精神而闻名。今天,Steiger是世界领先的电脑横机制造商之一。事实上,位于瑞士的Steiger是Steiger所有商业活动的中心枢纽,还包括调研设计和生产。

2010年7月,Steiger正式成为宁波慈星股份有限公司的子公司。宁波慈星股份有限公司(股票代码:300307)是全球最大的智能针织机械供应商,是致力于提升中国针织机械技术水平推动针织工艺发展进步、实现针织产业升级的国家级高新技术企业。如今,宁波慈星股份已经成为全球电脑横机领先制造商。

Steiger Switzerland was founded in 1949 with its consistently uphold innovation and pioneering spirit. Today Steiger is one of the world's leading computerized flat knitting machine manufacturers. Located in Switzerland, Steiger is the hub of all the Steiger commercial activities, including R&D and production.

Since July 2010, Steiger has been being a subsidiary of Ningbo Cixing Co,Ltd. which is one of the biggest intelligent knitting machine suppliers in the world. Ningbo Cixing Co,Ltd.(Stock Code: 300307) is a state-level high-tech company who devotes to promoting knitting machinery technology and realizing the knitting industry upgrading. Now Ningbo Cixing is the leading manufacturer of computerized flat knitting machines all over the world.

STG860

为你盈利而生

MADE FOR YOUR EARNINGS

超宽编织、一机多用、更多花型、更高产量、快速翻单……全新第八代事坦格STG860多功能一体机革新上市，配备行业领先的一线成型技术，让毛衫可生产的款式更多、产品范围更广、加工利润更高！

Super wide knitting, multi-function, more patterns, higher output, fast repeat orders…… The new eighth generation of STG860 multi-functional all-in-one machine is released on the market equipped with industry-leading fully fashioned knitwear technology. It makes sweater with multiple patterns and various product range to realize processing profit higher!

科技改变未来，创新彰显实力！STG860沿袭事坦格蓝带独有技术创新理念，历经研发团队潜心研发，主动结合市场需求，全新升级推出STG860多功能一体机，实现电脑横机多项突破：

Science&technology changes the future, innovation creates power! STG860 follows the unique technological innovation concept of blue STEIGER. By deep research and development, CIXING actively combines with market demand and publishes multi-functional all-in-one machine, achieving breakthroughs in computerized flat knitting machine:
